for who?

- If you need a FAA Medical Certificate.
- If you need a Student Pilot Certificate.

Register your FAA Medical Certificate Online

The FAA MedXPress system allows anyone requiring an FAA Medical Certificate or Student Pilot Medical Certificate to electronically complete the FAA Form 8500-8. Information entered into MedXPress will be transmitted to the FAA and will be available for your AME to review at the time of your medical examination.

NOTE: A medical examination by an FAA-designated Aviation Medical Examiner (AME) is required to complete the certification process.

How to get started

GO TO AND CREATE YOUR ACCOUNT AT THIS WEBSITE:

<https://medxpress.faa.gov>

FOLLOW DIRECTION AND FILL OUT "FORM 8500-8"

IMPORTANT:

- * Fill out the form just as you would do the paper one in the office. Remember that your certificate will have your address exactly as you typed it in, so please capitalize your street, city and state!
- * After entering a medication or a doctor visit, click "ADD" even if there is only one. Click "add comments" to make a comment about every YES answer in section 18, the medical history section, even if the comment is "previously reported, no change."
- * You will get a Confirmation Number. YOU NEED THIS NUMBER DURING THE EXAM.
- * Click on "EXAM Summary" to print out document for your record.
